To Whom It May Concern:

Gil Hyatt Construction has been a staple in the South Florida construction market for over 25 years. I have had the pleasure of working closely with them during the construction of many of our McDonald's restaurants in Broward County.

I have found Gil Hyatt and his crew to be professional, efficient and cost-conscious, while always striving to provide quality workmanship. These strong traits are what I demand as a customer.

I have been greatly satisfied with my involvement with Gil Hyatt Construction and highly recommend them for any construction project.

Sincerely,
